National Commission for Minorities

Introduction

The National Commission for Minorities (NCM) was established as a statutory body with the enactment of the National Commission for Minorities Act, 1992 (Act XIX of 1992) by the Parliament. This Act came into force with effect from 17 May, 1993. The Act was amended on 08.09.1995 to provide for a Vice Chairperson in the Commission. With the passing of the NCM (Amendment) Act, 1995, the Commission now consists of a Chairperson, a Vice Chairperson and five Members, out of which 5 Members including the Chairperson, are required to be from amongst the notified religious minority communities. Five religious communities namely, the Muslims, Christians, Sikhs, Buddhists and Zoroastrians (Parsis) were notified by the Central Government as minority communities on 23.10.1993 vide notification S.O. No. 816(E). Subsequently, as per Notification S.O. No. 267(E), the Central Government further notified the Jains as a minority community on 27.01.2014.

Functions of Commission

As per the provisions of Section 9(1) of the National Commission for Minorities Act, 1992, the Commission has been mandated to perform the following functions:

- (a) Evaluate the progress of the development of minorities under the Union and the States.
- (b) Monitor the working of the safeguards for minorities provided in the Constitution and in laws enacted by Parliament and the State Legislatures.
- (c) Make recommendations for the effective implementation of safeguards for protection of the interests of minorities by the Central Government or the State Governments.
- (d) Look into specific complaints regarding deprivation of rights and safeguards of minorities and take up such matters with the appropriate authorities.
- (e) Cause studies to be undertaken into the problems arising out of any discrimination against minorities and recommend measures for their removal.
- (f) Conduct studies, research and analysis on the issues relating to socio-economic and educational development of minorities.
- (g) Suggest appropriate measures in respect of any minority to be undertaken by the Central Government or the State Governments.
- (h) Make periodical or special reports to the Central Government on any matter pertaining to minorities and in particular difficulties confronted by them.
- (i) Any other matter which may be referred to it by the Central Government.

Powers of Commission

The Commission, while performing any of the functions listed in sub-paras (a), (b) & (d) of Para 1.2 above, has all the powers of a civil court trying a suit and, in particular, in respect of the following matters:

- (a) Summoning and enforcing the attendance of any person from any part of India and examining him on oath.
- (b) Requiring the discovery and production of any document.
- (c) Receiving evidence on affidavits.
- (d) Requisitioning any public record or copy thereof from any court or office.
- (e) Issuing commissions for the examination of witnesses and documents.
- (f) Any other matter which may be prescribed.

Definition of Minority

As per Section 2(c) of the NCM Act, 1992, 'Minority', for the purposes of the NCM Act, means a community notified as such by the Central Government. The functions and responsibilities of the Commission are thus related to the six notified minority communities based on religion namely, Muslims, Christians, Sikhs, Buddhists, Parsis and Jains.

Scheme of Multi-Sectoral Development Programme (MSDP)

- The Multi-sectoral Development Programme (MsDP) was conceived as an area development programme. It is a Centrally Sponsored Scheme (CSS) launched in the year 2008-09 in the Minority Concentrations Districts (MCDs). It is an area development initiative to address the development deficits in minority concentration areas by creating socio-economic infrastructure and providing basic amenities.
- The Government has approved the restructuring of Multi-sectoral Development Programme for its implementation in 12th Five Year Plan. The Programme has been restructured to make it more effective & more focused on the targeted minorities. In the restructured MsDP the unit area of planning has been changed to blocks/towns instead of district for sharper focus on the minority concentration areas.
- The District and State Level Committees for 15 Point Programme is responsible for monitoring the implementation of this programme at the district and State level respectively. At the centre, the Empowered Committee also serves as the Oversight Committee to monitor the programme. The progress under this programme is also reviewed by the Committee of Secretaries (COS) along with the review of 15 Point Programme once in six months and then reported to the Cabinet along with the PM's New 15 Point Programme. The progress is also monitored by the PMO on a Quarterly basis.
- As envisaged in the guidelines of revamped Multi-sectoral Development Programme (MsDP), the projects being taken up under MsDP relate to provision of better infrastructure for education, health, skill development, sanitation, pucca housing, roads and drinking water besides creating income generating opportunity. Apart from these, a new component namely Cybergram has been launched as an initiative under MsDP since 2014-15 with an aim to impart digital literacy amongst Minority Student of class VI to class X.

Prime Minister's New 15 Point Programme for the Welfare of Minorities

(A) Enhancing Opportunities for Education

(1) Equitable Availability of ICDS Services

The Integrated Child Development Services (ICDS) Scheme is aimed at holistic development of children and pregnant/lactating mothers from disadvantaged sections, by providing services through Anganwadi Centres such as supplementary nutrition, immunization, health check-up, referral services, pre-school and non-formal education. A certain percentage of the ICDS projects and Anganwadi Centres will be located in blocks/villages with a substantial population of minority communities to ensure that the benefits of this scheme are equitably available to such communities also.

(2) Improving Access to School Education

Under the Sarva Shiksha Abhiyan, the Kasturba Gandhi Balika Vidyalaya Scheme, and other similar Government schemes, it will be ensured that a certain percentage of all such schools are located in villages/localities having a substantial population of minority communities.

(3) Greater Resources for Teaching Urdu

Central assistance will be provided for recruitment and posting of Urdu language teachers in primary and upper primary schools that serve a population in which at least one-fourth belong to that language group.

(4) Modernizing Madarsa Education

The Central Plan Scheme of Area Intensive and Madarsa Modernization Programme provides basic educational infrastructure in areas of concentration of educationally backward minorities and resources for the modernization of Madarsa education. Keeping in view the importance of addressing this need, this programme will be substantially strengthened and implemented effectively.

(5) Scholarships for Meritorious Students from Minority Communities

Schemes for pre-matric and post-matric scholarships for students from minority communities will be formulated and implemented.

(6) Improving Educational Infrastructure through the Maulana Azad Education Foundation

The Government shall provide all possible assistance to Maulana Azad Education Foundation (MAEF) to strengthen and enable it to expand its activities more effectively.

(B) Equitable Share in Economic Activities and Employment

(7) Self-Employment and Wage Employment for the Poor

(a) The Swarnjayanti Gram Swarajgar Yojana (SGSY), the primary self-employment programme for rural areas, has the objective of bringing assisted poor rural families above the poverty line by providing them income generating assets through a mix of bank credit and Governmental subsidy. A certain percentage of the physical

and financial targets under the SGSY will be earmarked for beneficiaries belonging to the minority communities living below the poverty line in rural areas.

- (b) The Swarn Jayanti Shahari Rojgar Yojana (SJSRY) consists of two major components namely, the Urban Self-Employment Programme (USEP) and the Urban Wage Employment Programme (UWEP). A certain percentage of the physical and financial targets under USEP and UWEP will be earmarked to benefit people below the poverty line from the minority communities.
- (c) The Sampurna Grameen Rozgar Yojana (SGRY) is aimed at providing additional wage employment in rural areas alongside the creation of durable community, social and economic infrastructure. Since the National Rural Employment Guarantee Programme (NREGP) has been launched in 200 districts, and SGRY has been merged with NREGP in these districts, in the remaining districts, a certain percentage of the allocation under SGRY will be earmarked for beneficiaries belonging to the minority communities living below the poverty line till these districts are taken up under NREGP. Simultaneously, a certain percentage of the allocation will be earmarked for the creation of infrastructure in such villages, which have a substantial population of minorities.

(8) Upgradation of Skills through Technical Training

A very large proportion of the population of minority communities is engaged in low-level technical work or earns its living as handicraftsmen. Provision of technical training to such people would upgrade their skills and earning capability. Therefore, a certain proportion of all new ITIs will be located in areas predominantly inhabited by minority communities and a proportion of existing ITIs to be upgraded to 'Centres of Excellence' will be selected on the same basis.

(9) Enhanced Credit Support for Economic Activities

- (a) The National Minorities Development & Finance Corporation (NMDFC) was set up in 1994 with the objective of promoting economic development activities among the minority communities. The Government is committed to strengthen the NMDFC by providing it greater equity support to enable it to fully achieve its objectives.
- (b) Bank credit is essential for creation and sustenance of self-employment initiatives. A target of 40% of net bank credit for priority sector lending has been fixed for domestic banks. The priority sector includes, inter alia, agricultural loans, loans to small-scale industries & small business, loans to retail trade, professional and self-employed persons, education loans, housing loans and micro-credit. It will be ensured that an appropriate percentage of the priority sector lending in all categories is targeted for the minority communities.

(10) Recruitment to State and Central Services

- (a) In the recruitment of police personnel, State Governments will be advised to give special consideration to minorities. For this purpose, the composition of selection committees should be representative.
- (b) The Central Government will take similar action in the recruitment of personnel to the Central police forces.
- (c) Large scale employment opportunities are provided by the Railways, nationalized banks and public sector enterprises. In these cases also, the concerned departments will ensure that special consideration is given to recruitment from minority communities.
- (d) An exclusive scheme will be launched for candidates belonging to minority communities to provide coaching in government institutions as well as private coaching institutes with credibility.

(C) Improving the Conditions of Living of Minorities

(11) Equitable Share in Rural Housing Scheme

The Indira Awaas Yojana (IAY) provides financial assistance for shelter to the rural poor living below the poverty line. A certain percentage of the physical and financial targets under IAY will be earmarked for poor beneficiaries from minority communities living in rural.

(12) Improvement in Condition of Slums Inhabited by Minority Communities

Under the schemes of Integrated Housing & Slum Development Programme (IHSDP) and Jawaharlal Nehru National Urban Renewal Mission (JNNURM), the Central Government provides assistance to States/UTs for development of urban slums through provision of physical amenities and basic services. It would be ensured that the benefits of these programmes flow equitably to members of the minority communities and to cities/slums, predominantly inhabited by minority communities.

(D) Prevention & Control of Communal Riots

(13) Prevention of Communal Incidents

In the areas, which have been identified as communally sensitive and riot prone, district and police officials of the highest known efficiency, impartiality and secular record must be posted. In such areas and even elsewhere, the prevention of communal tension should be one of the primary duties of the district magistrate and superintendent of police. Their performances in this regard should be an important factor in determining their promotion prospects.

(14) Prosecution for Communal Offences

Severe action should be taken against all those who incite communal tension or take part in violence. Special court or courts specifically earmarked to try communal offences should be set up so that offenders are brought to book speedily.

(15) Rehabilitation of Victims of Communal Riots

Victims of communal riots should be given immediate relief and provided prompt and adequate financial assistance for their rehabilitation.
